Every beast in the forest is Mine.
Psalms 50:10

What sunshine is to flowers, smiles are to humanity. They are but trifles to be sure but, scattered along life's pathway, the good they do is inconceivable.

Joseph Addison

calm and happy nature

Mountain Air

Tell me of Progress if you will
But give me sunshine on a hill —

The grey rocks aspiring to the blue,
The scent of larches, pink and dew,

And summer sighing in the trees,
And snowy breath on every breeze.

Take towns and all that you find there,
And leave me sun and mountain air!

John Galsworthy

Youth is wholly experimental.

Nature is the
Art of God.

Bring us together, we pray, in spite of our prejudices, our doubts, and our fears. Help us we pray, to be one in the Lord. Help us to work together, not in a mixture of honey which has no spice, no spark, no living challenge. But help us to work together, in a living, real, human personal mixture such as Thou dost want human society to be.

Prayed by Dr. John E. Riley

Softly the evening came. The sun from the western horizon
Like a magician extended his golden wand o'er the landscape;
Twinkling vapors arose; and sky and water and forest
Seemed all on fire at the touch, and melted and mingled together.

Henry Wadsworth Longfellow
