Welcome week this year at NNU began August 25-30th. Every fall this event commemorates the beginning of a new experience at NNU for many first time freshmen. Beginning with the annual ribbon cutting ceremony in which the entire class gathers together on the Brandt Center lawn along with faculty and staff from various departments. This signifies the community of students all together in the start of new experiences.

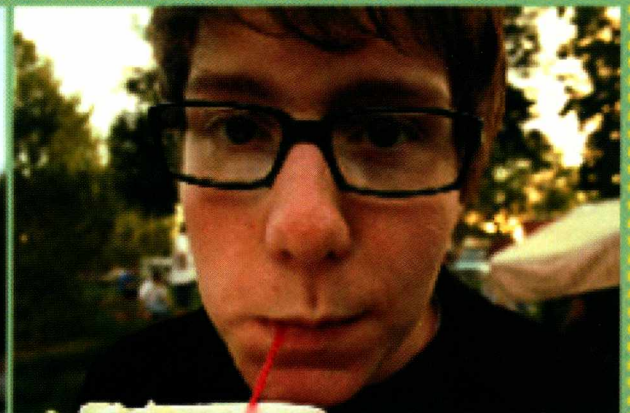

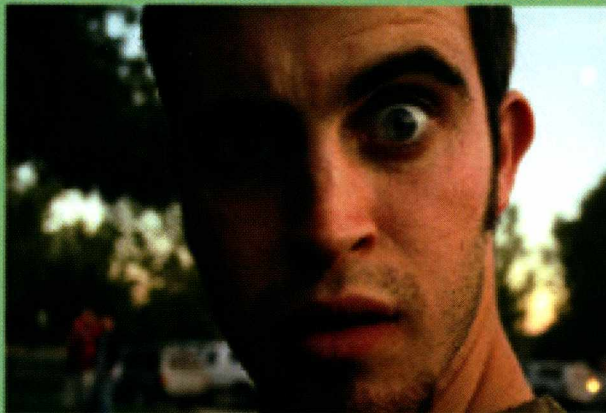

me week|welcomme week|wel

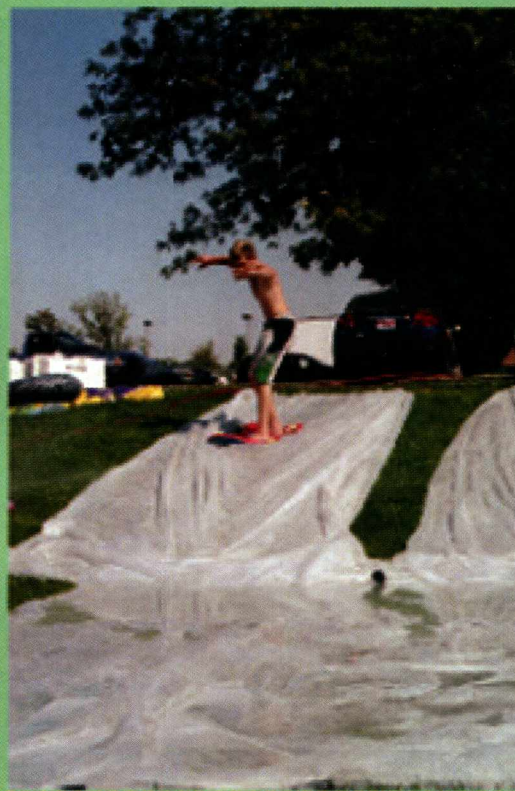

to the left are students enjoying the SGA burnout. A HUGE bonfire.

Below are students smiling for the camera at rollerscamming.

For years it has been a tradition to enter into each new year with celebration. Fun and games fill the first week of school, and that first week is known as malibu days. It is without a doubt one of the best ways to see old friends and meet lots of new ones.

rootbeer fest - a staple of malibu days is a great time to see people. This year the movie "High School Musical" was shown and rootbeer was served from funnels.

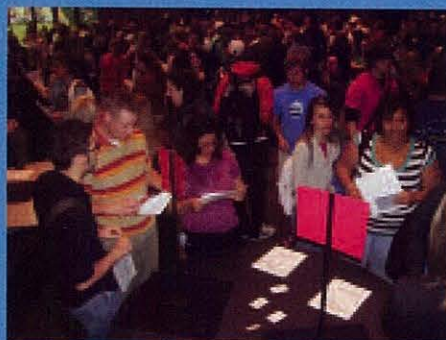

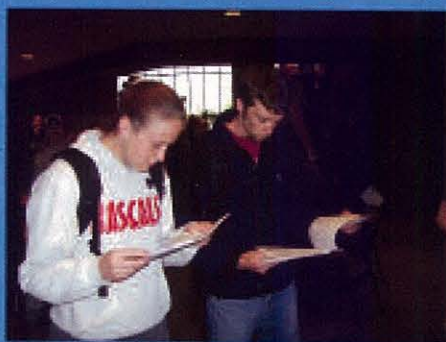

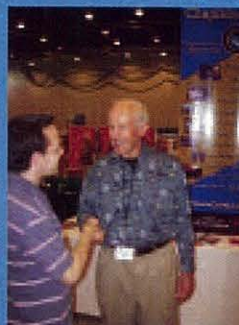

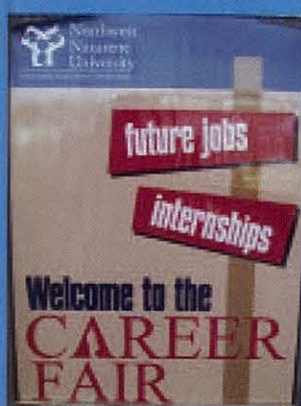

Freshere was a night to remember, with wild and crazy decorations and skits we will never forget. Everyone was packed into the science lecture hall and sweating in their costumes that were themed to the classic Alice in Wonderland. There was no Alice but Kenton, Chris, and Wade lead us through another great NNU experience.

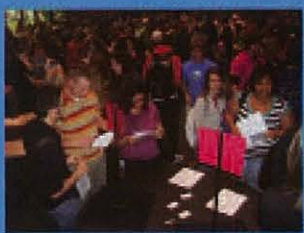

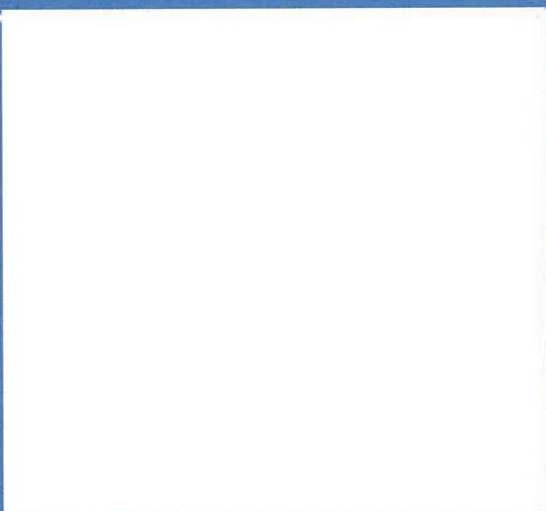

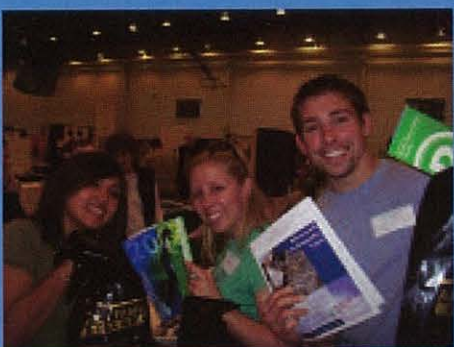

CAREER WEEK

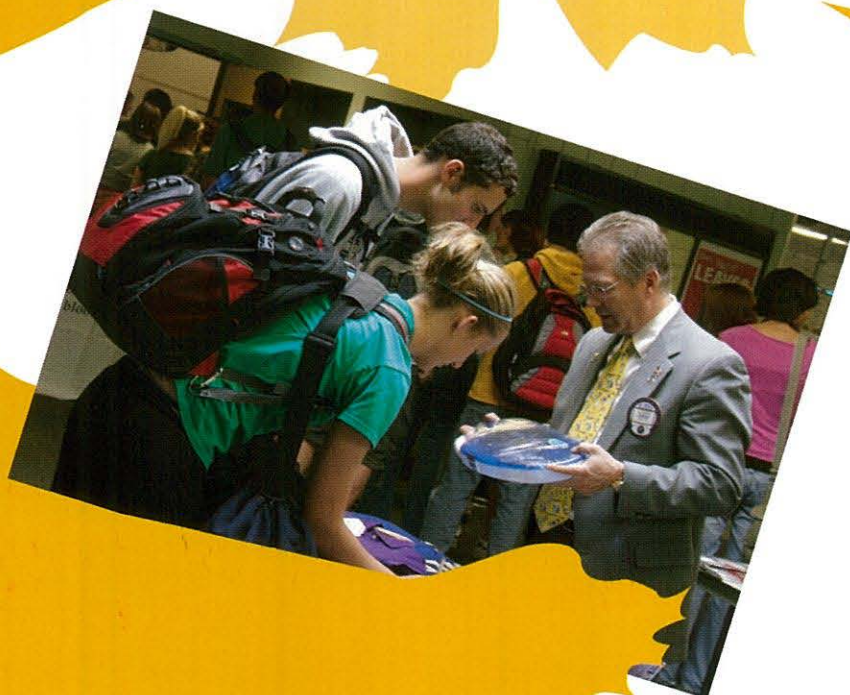

Career Week is a great time for students to meet and talk with potential employers. The week is topped off with a career fair that is filled with fun give aways and information of all kinds on future job opportunities

Spiritual Emphasis Week

"Harvey is about a man named Elwood P. Dowd (Tyler Law) and his best friend, Harvey, who just so happens to be an invisible six-and-a-half foot tall white rabbit. His sister, Veta (Stefie Wilkes) and niece, Myrtle Mae (Stephanie Williamson) who live with Elwood have had enough of Elwood and his carrying on with Harvey and the negative effects it is having on their social lives, so Veta decides that she will have him committed to a sanitarium. When Veta becomes hysterical while explaining the likes of Harvey to Dr. Sanderson (Tommy Derbesy) however, she is mistakenly committed herself. It is a heart-warming comedy about friendship, even those kinds we don't understand."

A Night at the Masquerade

* This fall homecoming weekend was filled with many events. Everything was included from sports such as basketball to the annual Homecoming Banquet held on November 23 at Crossroads Community Church. This year the theme was "A Night at the Masquerade". All students who attended were given the opportunity to dress up in splendid costumes complete with their own masks.

The event, known as T.W.I.R.P or "The Woman is Required to Pay" happened on October 27 and 28. Almost every NNU male and female look forward to each fall. It's filled with awkward invitations and creative costumes that students slave over for hours. Each fall a new theme is chosen by the SGA Social VP.

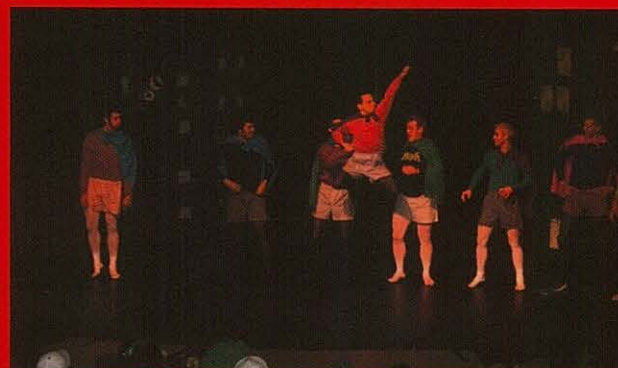

This year SGA Social VP Rachel Jacobsen chose the theme "Magical Kingdom" and along with the theme NNU students adorned their best Disney character costumes. Characters from movies such as "The Incredibles", "101 Dalmatians", and "Toy Story" to name a few were seen during T.W.I.R.P.

On Friday, October 27 the events of the night began with dinner hosted by Sodexho on the Brandt Center lawn. During dinner rides by horse-drawn carriage were offered to students. After dinner, as the sun went down, a fireworks show was presented.

A photograph of a man sitting on a wooden chair, holding a microphone. He is wearing a light-colored t-shirt and shorts. Another person is standing behind him, partially visible. The room is dimly lit, and there are some items on the floor in the foreground.

Leadership Leadership Leadership

Leadership Leadership Leadership

Each new year students involved in leadership band together and make the trip up to cascade for a retreat. The retreat is known for its times of bonding and learning. It is also a great time to motivate the student leaders to lead with all of their ability.

One of the best parts of the trip is the ropes course. Michael especially enjoys this part because it allows him to dangle from high beams.

In the middle we see the women of Ford Hall and the men of the brick house walking with purpose towards the ropes course. Below that is Joe Seiders and friends attempting a devilish stunt.
