## Global Church of the Nazarene

## Alabaster 75th Anniversary Year

Throughout Alabaster's history, there have been many places where funds could be used to help rebuild or establish church presence following times of war or other catastrophic events. The encouragement that comes through Alabaster giving fosters a spirit of gratitude for the granted funds, but also a spirit of participation by those recipients for the sake of others who need buildings. In these contexts, Alabaster truly lays foundations for people to worship, heal, and learn.

This month's Alabaster video comes from Seoul, South Korea, where following the Korean War (1950-1953) the Sangam-dong Church of the Nazarene was able to build a church that has proven to have significant influence to this day.

---

## PRAISE
